Students from Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott celebrated this year's scholarship from Main Street Community Foundation at the annual MSCF Scholarship Reception earlier this month at the DoubleTree by Hilton.

Over 220 people attended the reception where a majority of this year's awards were announced. This year a total of 167 students received of a over \$334,874 in scholarships, each of which has a unique and personal story behind its creation as well as a donor committed to supporting the academic and career goals of students, the release from MSCF stated.

All TBE readers, supporters and donors

The Bristol Edition will be limiting the number of stories non-members and free readers may access each week. This decision is based on our financial projections and, most certainly, to remind people that TBE is serious about providing accurate, timely and thorough reporting for Bristol. To do this we have devised a financial support structure that makes unlimited access extremely affordable, beginning with a \$6 monthly donation.

- Non-members will be able to access four (4) articles per week.
- Free readers and people who have subscribed by email will be able to access four (4) articles per week.
- Donors and financial supporters will have unlimited access as long as they log in.

Note: Donors may have to contact TBE if they find they are being limited, since we will need to set up a membership account for you. Email editor@bristoledition.org for instructions. Sorry for any inconvenience. People with financial difficulties may write editor@bristoledition.org to be considered for free access.
